Seeking these girls

Is this you or do you have any information about this photo?

We believe this photo was taken in or around 1929, and shows girls from St Joseph's School (Victoria Square) enthusiastically supporting the 1930's Cathedral building appeal.

Pictured are, left, Millie Richards, Julia Auld, Pat Kennedy, Edna Smith, Jessie Noonan, Kathleen Morrissey and Mollie Sheridan.

If you are in this wonderful photograph or know anything about the time or circumstances it was taken, we would love to hear from you.
